Employment Opportunities Closing Agents

Quality Title & Abstract Agency, Inc. is currently looking for closing agents in your area. Individuals must be reliable, have excellent communication skills, have a professional appearance and closing experience. We are looking for qualified closers who are interested in an affiliation with a company that has “stood the test of time” and has been in business over 25 years.

Quality Title & Abstract Agency, Inc., is a member of **The Jordan Real Estate Group** which is one of the largest real estate appraisal and title insurance companies on the east coast. We are a multi-state company that has been in business for over 25 years with offices in New Jersey, Maryland and Florida. We are not an Appraisal and Title management company and only work with individuals. Please visit our website for more information: www.thejordangroup.net.

We are looking for closing agents who care about the product they deliver, can meet our requirements and are looking for a long term relationship. We have a custom tracking system which allows on-line updating providing our closing staff and clients current information 24 hours per day. If you are looking for an opportunity with an established company please send your resume and completed questionnaire to Stephanie@thejordangroup.net or fax to 732-440-1505.
